

MISS MCWOODSON'S FRIDAY NEWSLETTER

WEEK 9: Friday, 10/14/16 • University of the Pacific • Class of 2031 • MissMcWoodson.com

WHAT'S POPPING AT PACIFIC:

Dear Families,

We had a very busy week in second grade, as we had to complete our very first Unit Test in ELA and also our Chapter 2 Test in Math! Our Unit Tests in ELA include reading 6 short stories and responding to comprehension questions about each story and writing a thoughtful paragraph. Our Chapter 2 Math Test focused on place value and numbers up to 1,000.

Next week, we are moving into Lesson 6 in ELA and Chapter 4 in Math. Next week's ELA lessons will concentrate a lot on ending blends and Chapter 4 in Math continues with 2-digit addition. We will also learn some new math vocabulary next week, such as the words "compensation" and "regrouping."

I recently posted some important upcoming dates on Class Dojo, so I hope you are checking our Class Dojo page frequently! I also sent home a notice with the same dates today. I look forward to meeting with you soon for our student-led academic conferences!
